Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague,
Remittent Fever, Chill Fever, Dumb
Ague, Periodical Headache, or Bilious
Headache, and Bilious Fevers, in fact
for the whole class of diseases origi-
nating in Biliousness, dyspepsia, &c.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such

remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents the disorder must be of immense service in the communities where it prevails. Prevention is a better than cure, for the patient escapes the risk which he must run in violent attacks.

remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof that no harm can arise from its use in any questionable case.

That which protects from or prevents disorder must be of innominate service in all communities where it prevails. *Prevention* is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "CURE" expels the miasmatic poison of FEVER and AGUE from the system and arrests the development of the disease, if it takes place in its approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply to a dollar brings it within the reach of every body, and in billions of districts, where FEVER

remedy we are now called to offer, with a pretty certainty that it will eradicate the disease, and with assurance, founded on proof, that the harm can arise from its use in any quantity.

That which protects from or prevents disorder must be of immense service in communities where it prevails. *Peruvian Bark* is a remedy of this nature, and the risk which he must run in violent dysentery this salutiferous discomer. This "*Quina*" diminishes the miasmatic power of *FEVER* and *ACID* from the system and prevents the development of the disease, if taken on the first appearance of the symptoms. It is a remedy, if not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply is a dollar brings it within the reach of every body, and in billions of cures, where *FEVER* and *ACID* have been the cause of death and pain, it is freely taken for cure and prevention. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over all others, is that it does not derange the system and can cure of Intermittents so that there can be no trilline or malarial, consequently it induces no quinsm or other injurious effects whatever upon the constitution. These remedies are left as healthy as if they had never had the disease.

Fever and *Ague* are not alone the consequence of the miasmatic poison. A great variety

remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on practical experience, that no harm can arise from its use in any quantity.

That which protects from or prevents disorder must be of immense service in communities where it prevails. *Pernicious* better than cure, for the patient escapes the risk of relapse, and is in less attacks of the baneful disorder.

The medicinal power of FEVER-EXCISES the miasmatic poison of FEVER and removes it from the system and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever discovered, but also the cheapest. The large quantity we sell is a dollar brings it within the reach of every body; and in billions of districts, where FEVER-EXCISES prevails, every body should have it, and use it freely both for cure and protection. It is sold at this price all places within ten miles of New York City. At such a great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermitents, it is that contains no quinine or mineral, consequently it produces no quinsy or other injuries either whatever upon the constitution. Those who feel unwell or feeble as if they had been had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Nouragues, Rheumatism, Gout, Headache, Blindness, Toothache, Parotid, Catarrh, Asthma, Dropsy, Stomachic, Spasms, Stiffness of the Spine, Myositis, Pain in the Bowels, Gonorrhea, Pityriasis, and Permeation of the Skin.

remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that the harm caused by its use in an quantity.

That which protects from or prevents disorder must be of immense service in communities where it prevails. *Peruvia*, a remedy which cures the patient, escapes diseases which must run in violent attacks this baleful disorder. This "Cure" is the mischievous power of FEVER AND AGUE from the system and prevents the development of the disease, if taken on the first approach of its preliminary symptoms. It is the only remedy that cures the disease for this class of complaints, but also cheaped. The large quantity we supply to a State brings it within the reach of every body, and in billions of districts, where FEVER AND AGUE prevails, every body should have it, and it will rid the earth of the pestiferous. It is cheaped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents, is that it cures and does not irritate the system, and it produces no quins or other injuries, whatever upon the constitution. This remedy is as safe as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of malarious poisons, but a variety of diseases and ailments from irritation, arising from the system, such as, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spine, Mysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, all other ailments, when originated in the system, on the intermittent type, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling on temporary expeditions, and it is a remedy that can be taken occasionally or daily while exposed to the infection, that will be exerted from the system, and cannot accumulate in sufficient quantity to form into disease. Hence it is even more valuable for protection than cure, and will cure all ailments, when protected by it, and themselves of the protection this remedy affords.

remedy we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on practical experience, that no harm can arise from its use in any quantity.

That which protects from or prevents disorder must be of immense service in all communities where it prevails. *Peruvian* is a better than cure, for the patient escapes the risk of the disease, runs no violent attack of this baleful disorder. This *Cure* is the only one of the mischievous power of *Fever* and *Ague* from the system and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for *Fever* and *Ague*, but it is also a cheap one. The large quantity we supply at a dollar brings it within the reach of every body, and in billions of districts, where *Fever* and *Ague* prevail, every body should have it, and use it freely both for cure and protection. It is cheap, for the most part, it is within the reach of all, and it is potent as the *Quinine*. A great superiority of this remedy over all others ever discovered for the speedy and certain cure of *Intermittents*, is that it contains no *Quinine* or mineral, consequently it produces no *quinsy* or other injuries either to the system or to the organs, and it is never by its use, as they had been told, but as healthy as if they had never had the disease.

Fever and *Ague* are not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are, *Nervousness*, *Rheumatism*, *Cough*, *Headache*, *Blindness*, *Deafness*, *Stomachic*, *Diarrhoea*, *Colic*, *Flatulency*, *Palpitation*, *Faintness*, *Vertigo*, *Splenitis*, *Hysterics*, *Pain in the Bowels*, *Colic*, *Polyuria*, and *Derangement of the Stomach*, all of which, when originating in this cause, put on the *intermittent* type, or become *perpetual*. This *Cure* expels the poison from the blood, and cures the disease, and restores all alike. It is an invaluable protection to immigrants and persons travelling on temporary residence in the miasmatic districts. It takes occasionally or daily while exposed to the infection, or it will be exerted from the system and cannot be removed, sufficient quantity to cure all the diseases. Hence it is very valuable for protection for the entire year, and will never suffer from *Intermittents*, if they use themselves of the protection this remedy affords.
